## IMPERSONATING CITY EMPLOYEES

The Everett Police Department has received two reports of a male who identified himself as an Everett City Water Department employee and gained entry into the caller's home.

The unidentified suspect is described as a white male, thin build, 30 years old, clean shaven, wearing jeans and a baseball cap.

The suspect told both callers that he was checking the water and alleging that the water was "poisoning" people. Both incidents occurred yesterday in the 200 to 300 block of Ferry Street.

Everett residents are reminded that all city employees who come to your home will have city issued identification cards on them, and in most cases will be in vehicles with City of Everett markings on them.
