### **Everett Police Seek Assistance from the Public**

The Everett Police are seeking help from the public in identifying the person in the attached photo/video. The Police have reason to believe that he is an unwitting witness having crossed paths with the arsonist following one of the eight set fires that occurred in the late evening of 4/10 and early morning hours of 4/11. The witness would have been walking on Ferry St between the hours of 11:00pm and 11:20 pm wearing a blue waist length jacket, hooded sweat shirt, jeans and a dark colored baseball cap. He appears to be a white male with medium length brown hair.

Anyone with information as to the identity of the male depicted, is requested to contact the Everett Police Criminal Investigation Unit at (617) 394-2368, Everett Fire Department at (617) 394-2349 or the State Fire Marshall's Office at (978) 567-3100
