In Memory

This year's roll call included the loss of retired Everett Police Captain James Henry (pictured left), retired Officer David Kaslick (pictured right), and retired Officer William Phillips (not pictured).

A MESSAGE FROM THE MAYOR

Dear Residents,

Each and every day, our men and women in uniform stand ready to protect public safety, our families, and our community without regard for themselves. This is the highest form of service to others, and I am enormously grateful for their sustained dedication and hard work.

I am pleased that this past year, with the exception of the of the Encore Resort and the thousands of people who visited the casino, that crime in the City of Everett has decreased, mirroring a downward trend that we have seen in Everett over the past sixteen years. The vast majority of the calls to Encore fell into categories you would expect from the opening of a large resort, including disorderly conduct, operating while intoxicated and trespassing. These numbers reflect our zero tolerance policy towards unacceptable behavior. Now and in the future, I will continue to dedicate all necessary resources to allow our police department to use the best technology, equipment, and training available to perform their duties on behalf of our residents. Those resources also include hiring highly qualified officers to meet the future needs of major developments happening in our community today.

Building trust and opening up communication between our police department and all of our residents is an essential part of promoting public safety. Transparency and outreach is a critical part of building that trust. I am particularly pleased with the police department's innovative approach in our schools where, over the past few years, each Friday different officers have lunch in our school cafeterias to talk with students. These sessions have helped to build relationships in a comfortable and familiar setting. Outside of our community, we continue to collaborate closely across city, state, and regional boundaries to ensure that we have the best intelligence to help us combat issues common to any urban area.

I hope that the detailed information and data contained in this report offers strong insights into what our police department has accomplished over the past year. With the continued commitment of our police department, strong partnerships within our community, and excellent working relationships across city and state lines, I look forward to another exceptional year in Everett as our diverse city continues to grow and evolve as one of the best places to live in all of Massachusetts.

Sincerely,

A handwritten signature in blue ink that reads "Carlo De Maria". The signature is written in a cursive, flowing style.

Carlo DeMaria
Mayor

A MESSAGE FROM THE CHIEF

Hard to believe another year has gone by. I am proud of the work that the men and women of Everett's Finest do on a daily basis on behalf of its residents. I am always amazed by the great work that is done by our personnel, both civilian and sworn, whether it's the traditional great capture of a wanted individual, the outstanding customer service or working with our young people to win their hearts and minds. We continue to reap the benefits of our positive police – community relationships which help in so many ways when policing a community.

I have always championed transparency and accountability within the community and it has always worked for us. Our presence on social media continues to grow and has become a great means for getting information out to those we serve.

Overall, we saw a slight increase in crime of 3% from 2018 to 2019. Both Personal and Property crime categories accounted for a total of 1714 recorded crimes compared to last year when we had 1670. While I personally don't like to see the arrow go in this direction, we had planned for this increase and we can attribute the higher calls for service, arrests and minor crime increases to the opening of Encore Boston Harbor in June 2019. We went from having an empty lot where nothing happened for decades to a beautified piece of land that now has tens of thousands of visitors a month. As anybody in the business would tell you, we are seeing exactly what we expected when you have a large scale thriving destination.

When I look back at the development of the community it is amazing to watch it up close and personal. We get to see firsthand new businesses open upon our landscape, meet a bunch of new people who are moving to or working in our community and help ensure that they feel safe and secure in our city. As we progress and time moves on we say goodbye to some of our colleagues who have retired, or are no longer with us and we get to help mold new officers who will be the future guardians of the city for decades to come. Our future is bright and we are preparing to continue to fill our ranks with the finest people from our community that we can find to meet the needs today, tomorrow and for the future.

On a different front, I am excited about the initial discussions on the idea of a new police headquarters. Our home at 45 Elm St has been great and it is hard to believe it is over 40 years old, but it was built in a much different era that was not considering the growth of the community, the advancement of technology and how we policed our community with our numerous partners and stakeholders. I look forward to working with the Mayor and other city officials on this becoming a reality and seeing a headquarters that will shine as a symbol of quality professional policing.

As we plan for the 2020, we know we will face the challenges of replacing numerous officers who continue to reach retirement age at a regular pace. We strive to meet the needs of the community and have plans to conduct even more outreach and engagement with our youth and other segments of our community. We welcome new industries to the city and will do our best to ensure we are making people comfortable and confident that we are here to help them.

As usual, we always have a lot of work ahead of us. We will be looking forward to meeting you on the streets, in our businesses, schools, parks and playgrounds. We want 2020 to be a safe and memorable year for all. Thank you to the men and women of the Everett PD who work hard to keep us all safe and a thank you to all those in the community that partner with us in some way, shape or form. Without you we couldn't get it done.

Sincerely,

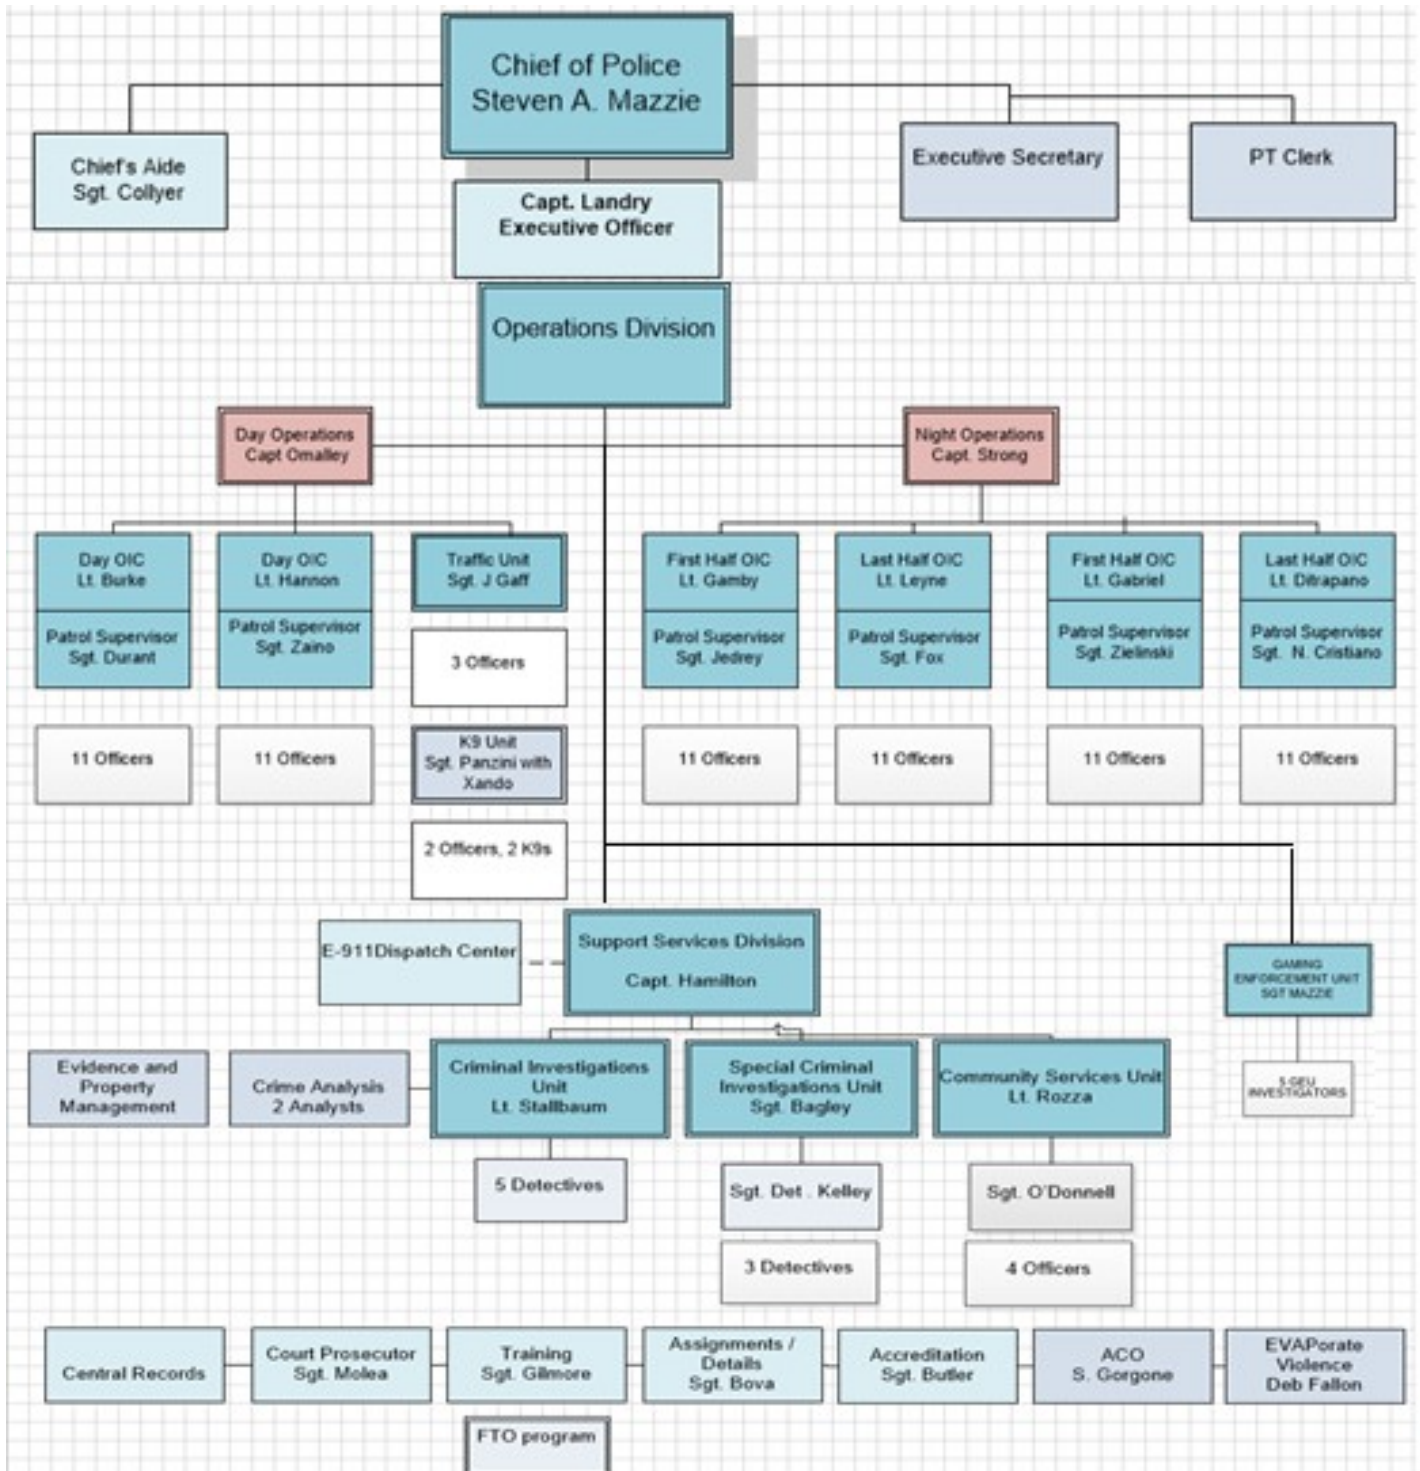

A handwritten signature in cursive script that reads "Steven A. Mazzie".

Steven A. Mazzie
Chief of Police

Organizational Chart

In 2019, the department finished the year with 112 sworn Police Officers and 11 civilian employees.

Chief Mazzie has been serving as Chief of the Everett PD since 2003.

2019 Staffing Changes

New Hires: In 2019, the Everett Police Department swore in ten new Police Officers.

Promotions: Paul Strong and Demetri Omalley were promoted to Captain and David Butler was promoted to Sergeant.

Retirements: Lieutenant Frank Hoenig and Officer Paul Mazzie retired from the police department after serving over 32 years.

With the opening of Encore Boston Harbor the EPD established the Gaming Enforcement Unit which is staffed with one Lieutenant or one Sergeant and five Officers.

Everett Police Department – Report Overview

The primary focus of this report is to emphasize and discuss department wide initiatives and enhancements, and to highlight the hard work completed throughout the department in 2019. This report also serves as a review of calls for service, incidents, and crimes reported to the department in 2019. For a look at additional ongoing initiatives, community programs, and charitable events, please see the department's past annual reports or visit us on Facebook. Furthermore, for a more complete and in-depth description of the department's units, their capacity and function, please see our past annual reports. These products/documents can be found on the department's website (www.everettpolicema.com).

- ✚ **Social Media-** for information on notable cases and arrests, please visit us online. In 2019, over 8,200 people were following the Everett Police Department on Twitter (#everettpolicema). Additionally, the department's Facebook page (facebook.com/EverettPoliceMa/) achieved over 11,990 "Likes" and had over 12,000 followers, making it one of the largest police social media sites in the region. Users can anonymously submit a tip through the "Anonymous Tips" page.
- ✚ **Additional uses-**these platforms can also be used for information on road closures, snow emergency information, citywide events, identification of suspects, department honors, promotions, and new hires.
- **Please note-** The department's Facebook and Twitter accounts are not for the public to report crimes, nor is it where the Everett Police will post emergency warnings about ongoing crimes in progress. We ask that you call 911 for emergencies and 617-387-1212 for non-emergency reports of crime or police related issues. We will utilize our Community Notification system to inform the public of ongoing crimes in progress, as appropriate.

2019 Annual Goatees for a Cause: \$4,675 raised for Special Olympics of MA and the Hundred Club of MA.

Support Services Division- Captain Paul Hamilton

The **Support Services Division** of the department is responsible for conducting a variety of operational support and non-operational support activities that aid the members of the Department to provide law enforcement and investigative services to the community. These activities provide daily, on-going support ensuring that our officers have the equipment, training, and support to provide high quality law enforcement services to the people of Everett.

The Support Services Division tracks and documents use of force incidents in the department. The incidents can be tracked by officer, force type, citizen involvement, and other factors. In 2019, there were 47 use-of-force incidents. This does not represent a significant difference compared to overall use-of-force incidents documented for 2018. The breakdown of use of force is outlined below.

Type of Force Used	# Incidents 2019	# Incidents 2018
Firearm Discharged	1	0
Firearm Displayed	20	17
Hands	6	9
Less Lethal	2	4
Taser	14	10
Verbal-Presence	4	6

The **Training Unit (TU)** is responsible for managing the in-service training requirements as well as the professional development and other training requirements for veteran officers. In addition, the unit manages the volunteer and intern programs for the department.

The **Animal Control Officer (ACO)** is in charge of all facets related to domesticated and wild animals throughout the city. The ACO helps identify lost / stolen or injured animals and enforces city ordinances related to animal issues. In 2019 the ACO responded to nearly 700 calls for service (190+ more than 2018). The ACO has built a solid working relationship with local rescue organizations, the officers at the department, and the community. The ACO rescues hundreds of animals each year.

Criminal Investigations Division (CID) Lt. Scott Stallbaum

Criminal Investigations Unit (CIU)

The **CIU**, traditionally known as the Detective Division, investigates crimes occurring in the city of Everett. Cases may be referred to the unit from other law enforcement agencies, referred for follow up from the Patrol Division, or received as a direct call for assistance. The CIU also works closely with the Middlesex District Attorney on homicides, domestic violence, and sexual assault investigations while also assisting as needed on other pending matters. During 2019, approximately 512 cases were referred to the CIU for follow up.

In 2019, the CIU made over 30 arrests, applied for warrants on 25 cases and was able to solve and charge individuals in over 10 robbery cases.

Additionally, the CIU investigated three homicides and one vehicular manslaughter case; arrests were made in three of the cases and the fourth remains under investigation.

Also notable were the arrests of:

- A 27 year old Everett man in connection with the non-fatal stabbing of an Everett resident
- Two men suspected of committing four separate armed robberies in Everett
- Three men associated with the Pagan Motorcycle Clubhouse in Everett; the men faced charges related to possession of illegal firearms, stolen motorcycles, and operating an unlicensed bar
- One man for a series of residential breaking and entering, likely totaling in the double digits

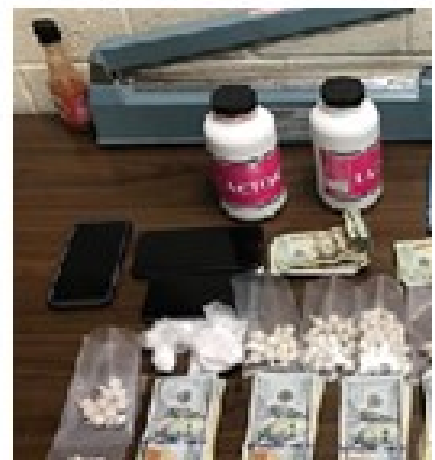

Everett detectives also worked closely with other agencies as part of a regional investigation into a series of armed robberies between November and December. Thanks to the collaborative work, the suspect was apprehended and is now facing 26 charges for a total of 11 robberies.

A detective in the CID is also responsible for all firearms licensing and renewals, and the registration of all sex offenders. Encompassed in this are Licenses to Carry (LTC) and all Firearms Identification Cards (FID). In 2019, the EPD issued 135 Resident Class A Large Capacity LTCs, 26 renewals for Law Enforcement Officer LTC, 14 Over 70 Years of age Renewal of FID/LTC, and 3 FID cards.

Special Criminal Investigations Unit (SCIU)

The **SCIU** mission is to suppress overt and covert drug dealing, prostitution, and other types of crimes of a sensitive nature. The SCIU accomplishes their mission by targeting street-level and mid-level drug dealing through the use of undercover officers, confidential informants, and decoys. The unit is also involved with task forces at the federal level, which are comprised of officers from other local and state agencies. In addition, detectives of this unit assist other agencies in their efforts to address multi-jurisdictional drug distribution in neighboring communities. There are four detectives and one sergeant assigned to the unit. One detective is assigned full time to the Drug Enforcement Agency task force. The SCIU was involved in over 40 arrests, eight of which were charged with Trafficking Fentanyl and six of which were charged with Trafficking Cocaine. Additionally, 11 search warrants were executed in 2019.

Property Type Seized	Amount Recovered
Fentanyl	600 grams
Cocaine	750 grams
Crystal Meth	150 grams
Marijuana	2 lbs
Guns	4
Monies	\$187,388

SCIU Notable cases for 2019:

- In September, members of the Everett SCIU executed two search warrants, resulting in one man charged with trafficking in both cocaine and heroin. Seized during the arrest were approximately 1 pound of cocaine and over 90 grams of heroin with over \$90,000 cash.
- In October, following execution of a search warrant, Everett PD SCIU arrested two individuals and charged them with Trafficking in Fentanyl. Approximately 150 grams of fentanyl and over \$5000 cash were seized during the arrest.
- Members of the SCIU arrested a male who was attempting to deliver heroin in the city in July 2019. The suspect, who had multiple IDs, was charged with Trafficking in Heroin.
- In November, a 19 year-old man was arrested in connection with an illegal drug sale investigation. Over \$6000 in drug proceeds and an illegal firearm were seized during the arrest.

EVAPorate Violence Project

The **EVAPorate Violence Project** (EVAP) is part of the CIU. EVAP provides services to victims of domestic violence and related assault crimes and in support of law enforcement cases. Services include assistance with 209A Abuse Prevention Orders (APO), case management, court advocacy, crisis intervention, safety planning, and referrals to other services. EVAP also provides services to victims and their families who may not have APOs but who have been impacted by domestic violence crimes responded to by the Everett Police and who are referred by other agencies which include Cambridge Health Alliance – Whidden Hospital, the Department of Children and Families, Everett City Government, Everett Mayor's Office of Human Services, Everett Public Schools, MelroseWakefield HealthCare, the National Domestic Violence Hotline, Safelink, local businesses, community and religious organizations, and by other victims previously served by EVAP.

In 2019, EVAP received and recorded 213 active 209A Abuse Prevention Orders, with 213 adults and 94 children reported as victims. Of this number, 189 victims of domestic violence were female and 24 were male.

EVAP conducted outreach and follow-up to 296 victims of domestic violence and provided advocacy services to 101 clients. Of this number, 25 cases were assisted with emergency shelter and housing, and 83 cases remain active through 2020 where advocacy services are still required. It is important to note that in 2019, EVAP experienced a 28% increased need to provide victim advocacy for clients in various District and/or Probate and Family Courts, at DHCD and DTA, and with language interpreter and transportation needs.

EVAP facilitated community outreach activities in 2019 including:

- A) School-based domestic violence prevention education;
- B) Literature campaign (mailing and business community literature drop) to promote EVAP services;
- C) Outreach to state agencies for referral and resource sharing; and
- D) Facilitated community resource training, including with the Massachusetts Office of the Attorney General – Division of Victim Compensation.

EVAP referred 89 cases involving domestic violence, sexual assault and stalking implications to Portal To Hope (PTH) for additional aid (emergency shelter, support groups, Benevolence Project, legal aid, and housing assistance). EVAP also made 7 referrals to Everett Housing Authority, 27 referrals to DHCD, 27 referrals to the Department of Transitional Assistance for emergency housing assistance, and 3 clients to Hallmark Health and Eliot for individual counseling aid. PTH provided 267 hours of support service to EVAP in 2019.

Community Services Unit (CSU)

The **Community Services Unit (CSU)** consists of one lieutenant, two sergeants, and five patrolmen. The patrolmen are assigned as the School Resource Officers (SRO) in the Everett High School, in partnership with the Everett Public Schools, to increase safety in the schools and to develop an open and ongoing dialogue between youth and the police department.

The CSU also organizes and helps out at a variety of youth based events throughout the year. In May, the CSU was on hand to provide Everett youths with free bicycle helmets for the citywide “Back to the Parks” day. The week of July 9th-13th was a big milestone as we hosted our 20th Junior Police Academy. The CSU was involved in planning and organizing Everett’s National Night Out, which took place on August 7th. October 27th was our 2nd annual “Scared Safe” bicycle rodeo where we gave out free bike helmets and several lucky youths received free bicycles. On December 13th, we partnered with Target Corp for our 2nd annual “Heroes & Helpers” shop with a cop event.

✚ **Shannon Grant** – In 2019, the EPD was awarded a \$28,865 Shannon Anti-Gang Grant with an additional \$10,251 match from the Department. These funds enabled the CSU to work on its goals of addressing youth issues in violence and gang involvement.

This past year, the CSU accounted for over 410 man hours toward the Shannon Grant patrols. Many of these patrols were focused on juvenile hot spots throughout the city. Throughout the course of the patrols conducted, officers effectively interacted with at-risk youth in both an enforcement and deterrent role. The parks and playgrounds were a focal point and officers encountered many youths engaging in the use of marijuana and/or alcohol.

The CSU also focuses on gang activity and investigates matters that are potentially gang related. During 2019, the CSU participated in several warrant sweeps with state and federal law enforcement. This resulted in the seizure of drugs, weapons, and arrests of violent criminals, including known gang members.

Anonymous Crime Reporting Application

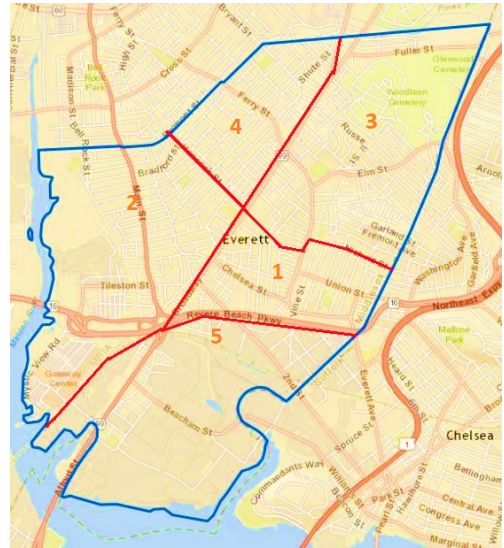

Wired Blue offers the “My Police Department” (MyPD) application for Smart Phones. This application allows the public to anonymously submit tips to the Everett Police, receive incident notifications, commend an officer, and submit feedback to the department. The application (or app) can be downloaded from the App Store or Android Marketplace.

Operations Division

Captain Richard Basteri and Captain Paul Landry

The Operations Division responds to Emergency 911 calls, other calls for service, and conducts essential activities, such as directed patrols. The city is divided into five sectors and patrols are assigned by sector (sector map, right). In 2019, this division was involved in 31,600+ calls/activities (including 911 calls, directed patrols, traffic issues, etc). This is an increase of over 2,500+ calls from 2018. Of the calls received in 2019, over 3,800 were documented as incidents requiring reports. During this period, the department arrested 941 adults, 28 juveniles, and responded to 1,261 motor vehicle accidents.¹ An additional 50 people were placed into Protective Custody. In 2019, the department saw a 27% increase in arrests and a 300+% increase in individuals taken into protective custody. These types of increases as compared to 2018 and the relationship to the opening of Encore Boston Harbor are discussed throughout this report with a focus on page 22.

The primary programs/initiatives that fall under the Operations Division and the Community Services Unit are:

- ✓ Data Driven Approaches To Crime and Traffic Safety (DDACTS)
- ✓ Blue Blitz
- ✓ Cops' Corner and Junior Cops' Corner
- ✓ Junior Police Academy
- ✓ 25 Days of Christmas and Shop with a Cop
- ✓ National Night Out

For more information on these programs and initiatives, please see the department's past annual reports.

All data in this report was pulled from either- Microsystems, CrimeTrack. Retrieved Feb., 20, 2020 from the PROIV database.
****CrimeTrack is EPD's Records Management System.** OR Commonwealth Fusion center Data Systems. Retrieved Feb, 20, 2020, from Mass CrimeSOLV database. Crime rates are based on current census data.

Operations Division

Captain Richard Basteri and Captain Paul Landry

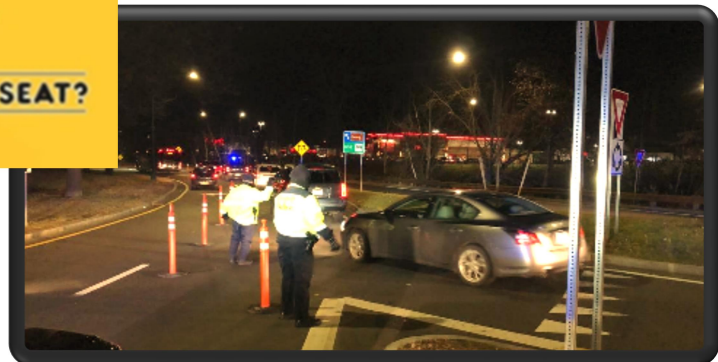

Patrol Highlights

In January, a Patrol officer observed a motor vehicle commit a traffic violation. The motor vehicle was stopped and the officer detected an overwhelming odor of marijuana. A search of the vehicle revealed a large amount of marijuana, a small scale, and over \$1300 in USD. Two men were charged with possession to distribute marijuana.

In February, Everett Police arrested two men after initiating a stop of a vehicle driving without headlights. During the stop that included a brief pursuit, the suspect vehicle crashed and all suspects attempted to flee. Two men were apprehended by Everett, State and Transit Police. After the initial attempt to stop the vehicle, a gym bag was thrown from the vehicle and retrieved by officers of the Everett Police Department. The bag contained an AK-47 rifle that was reported stolen from out of state. Officers recovered additional weapons from the vehicle. Both men were charged with multiple counts of firearms violations and resisting arrest.

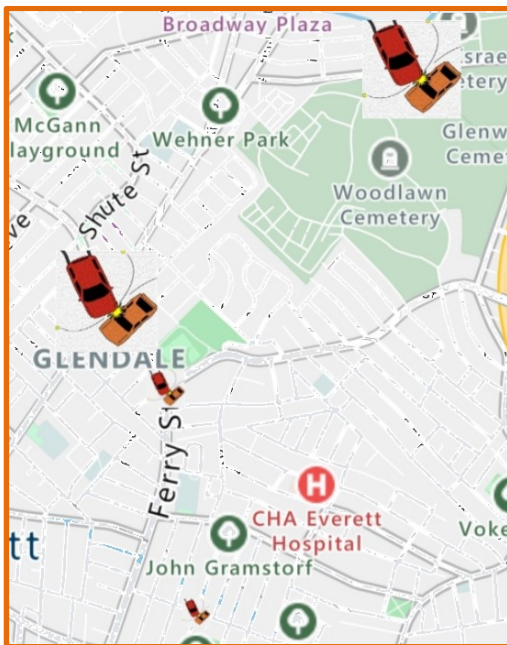

The Department is pleased to offer car seat installation and inspection by a certified Officer. Please see the department's Facebook page for availability (service is usually offered once a month).

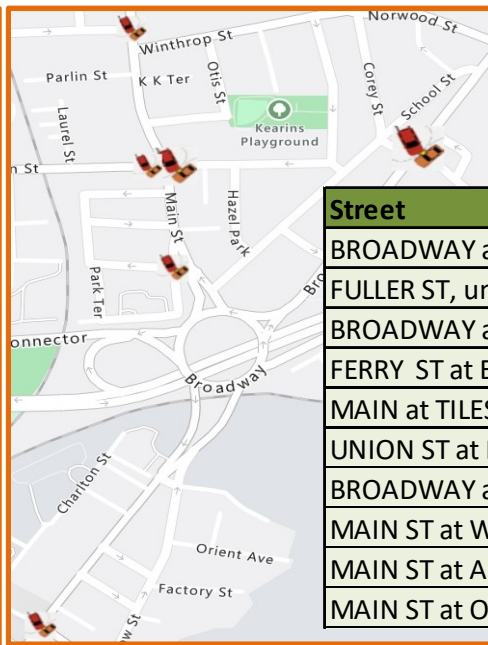

Traffic Unit

The Traffic Unit is tasked with enhanced enforcement efforts as well as managing traffic related grants from the state. In 2019, this unit was increased from one Officer to three Officers and one Sergeant. Additionally, two new motorcycles and a truck for the commercial motor vehicle unit were added to the fleet. Through the course of daily patrols, the Traffic Unit recorded over 1,120 citations, of which over 580 were warnings and over 420 were civil (non-criminal). Each year the Traffic Unit is awarded a Federal Grant for traffic safety. In 2019, the Traffic Unit made 215 traffic stops during grant operations. The Commercial Motor Vehicle Unit is a part of the Traffic Unit. This specialized unit stopped 23 commercial trucks and recorded 210 violations. In these stops, 16% of the drivers were placed out of service and 30% of commercial vehicles were placed out of service for safety infractions. In 2019, an additional officer was added to the Traffic Unit and the unit received two new motorcycles and a commercial hazardous materials truck through grant funding. The Traffic Unit set a goal in 2019 to revamp the parking regulations in the lower Broadway area. The Unit was successful in reaching this goal by the close of 2019.

Top 10 Accident Locations Citywide – 2019

North Everett Locations

South Everett Locations

Street	Total Crashes
BROADWAY at FERRY ST	159
FULLER ST, unknown locations	153
BROADWAY at SECOND ST	53
FERRY ST at ELM ST	42
MAIN at TILESTON ST	40
UNION ST at FLORENCE ST	23
BROADWAY at BEACHAM ST	21
MAIN ST at WEST ST	21
MAIN ST at APPLETON ST	19
MAIN ST at OAKES ST	18

Note on Accident Counts:

Includes Massachusetts crash reports and all other minor accident types without a Massachusetts crash report filed.

Everett Police Department Annual Report- 2019

In addition to their regular duties, the K9 Explosion Detection Unit recovered a firearm used in a homicide. Additionally, the Explosion Detection K9 conducted 8 K9 demonstrations at events such as National Night Out, area schools, and the Junior Police Academy. The K9 Unit is called to conduct bomb sweeps at businesses, schools, and other high profile locations such as the July 4th Festivities on the Esplanade, the T.D. Bank North Garden, and the Boston Marathon. The Patrol/Drug K9 Unit assists with calls for narcotic and patrol searches. In 2019, the K9 Unit recorded over 90 calls for service. These calls included 12 trainings and demonstrations, 20 narcotics searches, and 1 explosive detection call. The K9 Unit made 40 arrests and issued 149 citations. In addition, The K9 teams have worked with over a dozen municipal and state agencies including US Marshalls, DEA, and ATF. Vast amounts of heroin, cocaine, and marijuana were seized from the streets of Everett and surrounding communities. Throughout the year, several motor vehicles were seized in conjunction with the Special Criminal Investigations Unit. .

K9 Unit Highlight

In February, the Everett PD K9 Unit assisted Peabody Police with an investigation that resulted in an arrest and drug and identity fraud charges. During the investigation, 27 bags containing approximately 17 grams of heroin, and 26 bags containing about 12 grams of cocaine were confiscated.

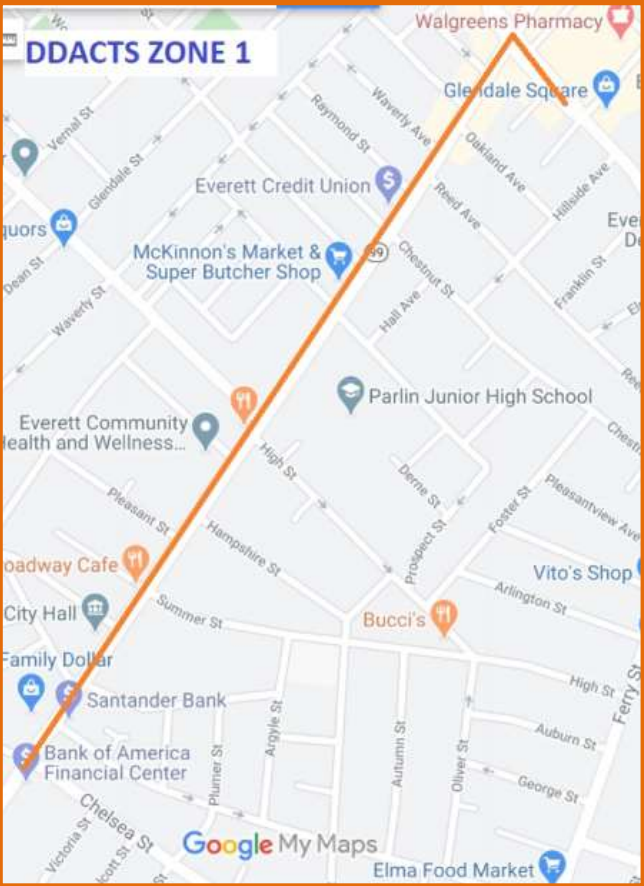

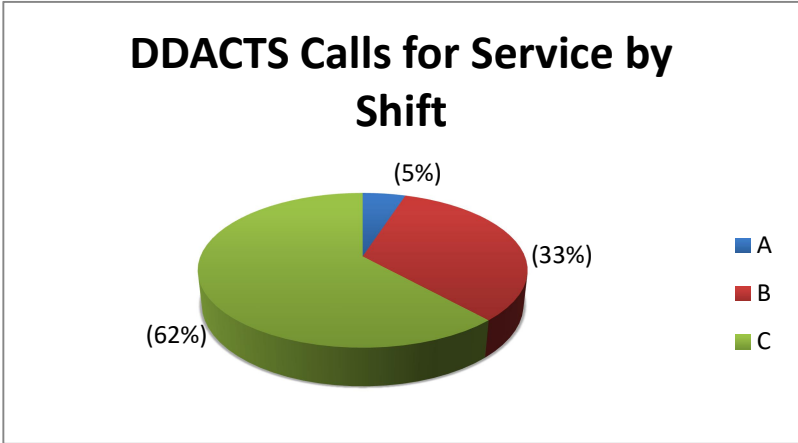

K9 Xando is pictured below on the left, Mary in the middle, and Jugo on the right.

DDACTS Initiative—Operations Division

Data-Driven Approaches to Crime and Traffic Safety (DDACTS) involves the use of location-based crime and traffic data to more efficiently deploy and direct law enforcement resources. The goal of DDACTS is to reduce the overall incidence of crime, crashes, and traffic violations, thereby reducing social harm. DDACTS is supported by regional and national partners and continues to be a valuable operational model utilized by the Everett Police Department.

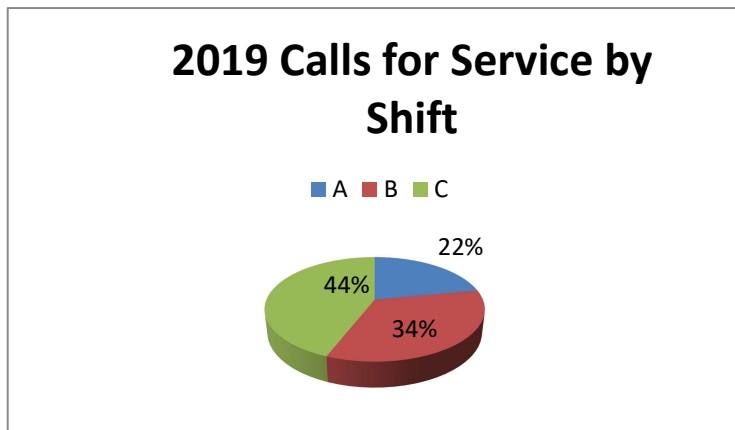

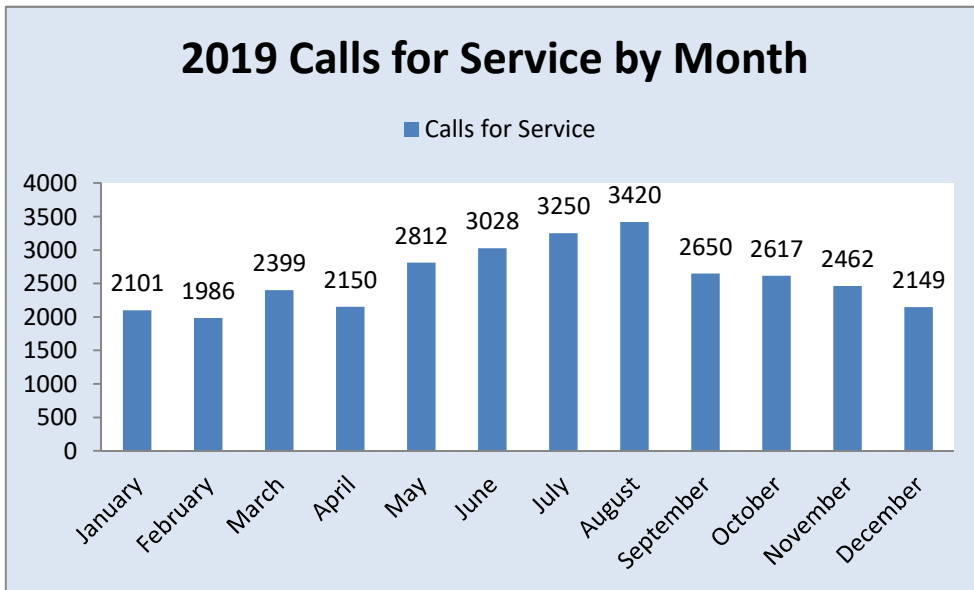

During 2019, there were a total of 789 DDACTS patrols (Zone 1 = 506; Zone 2 = 283). 15 arrests were made and approximately 170 citations were issued as the result of DDACTS patrols in 2019. Consistent with the distribution of total calls for service, Shift C handled the majority of DDACTS activity, followed by Shift B. Maps highlighting the DDACTS zones in the city are provided below.

Calls for Service

In 2019, **31,000+** calls for service were logged by the department.

- 35,605 unique action codes were utilized (each call can have more than one incident type attached).
- February was the quietest month with 1,986 calls taken.
- August was the busiest month with 3,420 calls taken.

The department has historically received the largest number of calls for service in the early evening to late evening hours (C shift). A large majority of these calls are for motor vehicle or traffic related issues and proactive directed patrols. A further break down of these calls for service can be found below.

Note:

A shift: 00:00-7:59

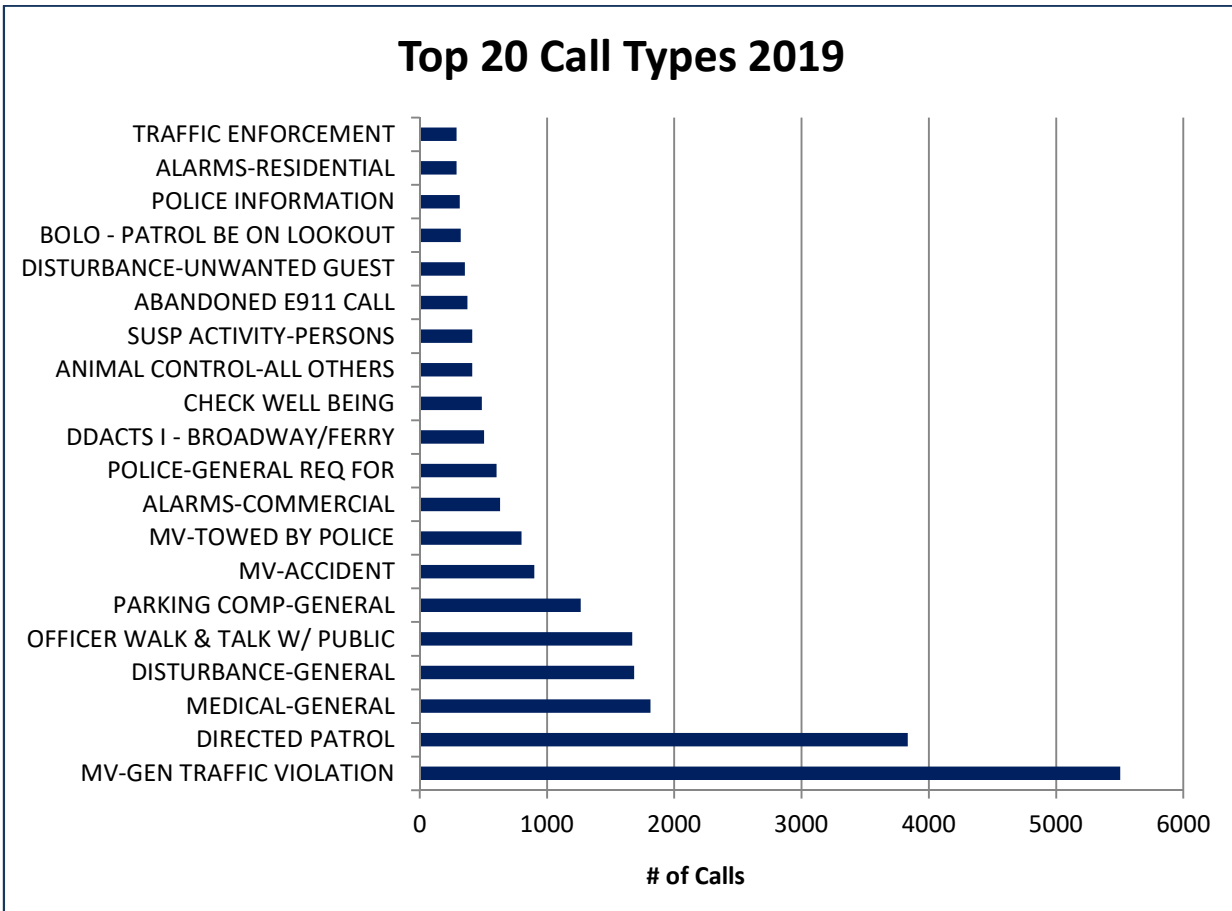

B shift: 8:00-15:59

C shift: 16:00-23:59

Please note, in 2020 the department has enhanced its abilities to review calls for service data. Going forward, calls will be analyzed by the timeframes outlined to the right. These timeframes more accurately depict shift times and account of overlapping times between shifts.

Time Frame	Shift Name
06:45-15:59:59	A - Day Shift
16:00 – 20:59:59	B - First Half
21:00 -01:59:59	O - Overlap
02:00-06:44:59	C - Last Half

Top 20 Call Types - 2019

Note: Consistent with previous years, the top 20 call types for 2019 were noncriminal calls.

2018 and 2019 Top Ten Calls For Service Locations

Location	2019	# of Calls
Encore Boston Harbor		760
Walgreens, 317 Ferry Street		409
7-11, 511 Broadway		355
Everett High School		297
7-11, 188 Chelsea Street		248
Glendale Park		246
Parlin Library		244
Werner Park-Briley Gazebo		238
Cambridge Health Alliance		220
Tres Gatos Lounge		192

Location	2018	# of Calls
Walgreens, 317 Ferry Street		693
Werner Park-Briley Gazebo		445
7-11, 188 Chelsea Street		439
7-11, 511 Broadway		293
7-11, 280 Main Street		290
Rite Aid, 405 Broadway		275
Everett High School		216
7-11, 543 Ferry Street		201
Parlin Library		198
Cambridge Health Alliance		183

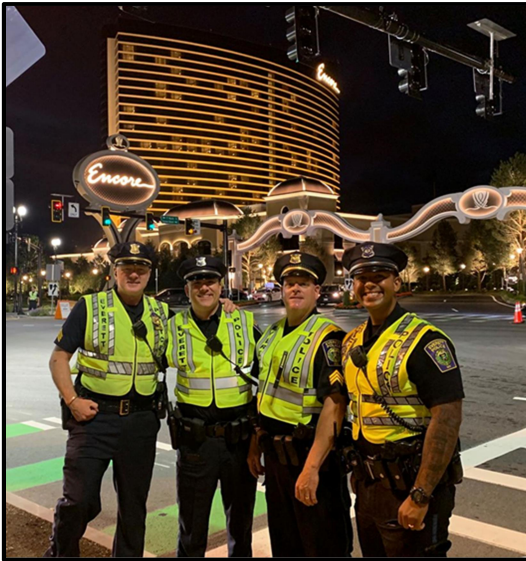

** Note that over 93% of calls for service for Tres Gatos Lounge reflected Directed Patrols and Officer Walk & Talks.*

Notes on top three locations:

- **Directed patrol and officer walk and talks** accounted for the majority of calls for the top three locations, mimicking the pattern seen for overall calls for service.
- **Encore Boston Harbor**-After accounting for directed patrol and officer walk and talks, motor vehicle/traffic violations represented the next most common call for service type. These were followed by various disturbances / disorderly behavior and medical calls.
- **Walgreens**- MV accidents/general traffic violations comprised approximately 10% of the calls for service. Medical issues (including extreme intoxication) represented the next most frequent call type, followed by shoplifting.
- **7-11**-Various disturbances, such as public drunkenness, panhandling, and loitering accounted for the most frequent call for service types after accounting for directed patrol/officer walk and talks.

Encore Boston Harbor- 6 Month Review

Encore Boston Harbor celebrated its grand opening on June 23, 2019.

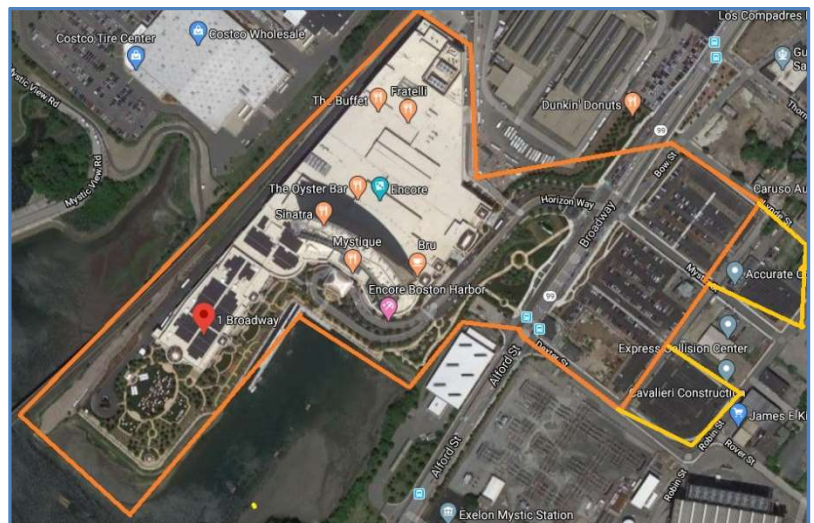

From June 1st until the end of 2019, the EPD responded nearly 900 times to Encore Boston Harbor at 1 Broadway, or the parking lots at Bow and Mystic Street. Over 90 of these calls were criminal in nature; over 60 were responses to a disturbance or suspicious behavior. Over 480 of these calls were for a directed patrol or officer walk and talk with the public. Additionally, over 120 of these calls were responses to motor vehicle accidents, issuing motor vehicle citations, or following up with parking issues. Note, included in these calls are five calls that occurred at an additional address not located at Encore or the adjacent parking lots but can be attributed to the casino. The map below outlines the geographic areas included in this analysis.

As a comparison, the addresses of 1 Broadway and Mystic at Bow were utilized 73 times June 1st through the end of 2018. Three of these calls were criminal in nature; trespassing and an arrest for operating under the influence. Twenty-one of these calls were motor vehicle or parking issue related. There were no directed patrols or walk and talks recorded.

Since opening through the end of 2019 the EPD has arrested 62 individuals at Encore. Twenty-three of these arrests were for Disorderly Conduct. Twenty-two individuals were arrested on assault charges. An additional 11 individuals were brought in to protective custody (this represents 22% of the citywide total), 1 arrest citation was issued and 2 individuals were issued a summons. Five of the total 76 individuals who faced charges at Encore resided in Everett. Analyst note: Data is based on arrest reports where 1 Broadway or Encore was assigned as arrest location.

When compared to citywide data for the same time period, Encore and the adjacent parking lots account for 5% of the total calls for service and 10% of the total straight arrests.

Arrests/Summons/Warrants/Citations

Top 5 Charges Applied to Arrests

In 2019, Everett Police made 969 arrests (941 adults, 28 juveniles).

Primary Arrest Charge Code	Number of Charges
Warrants	398
Assault and Battery on a Family Member	104
Unlicensed Operation of a MV	79
Disorderly Person	78
Resisting Arrest	68

Top 5 Crime types Issued Summons

In 2019, 529 people were summonsed to court.

Summons Issued by Crime Type	Number
Unlicensed Operation of a MV	193
Uninsured MV on Road	83
License Suspended	49
Unlicensed Registered MV	42
Failure to Stop For a Mechanical Signal	32

Top 5 Driving Infractions Issued Citations

In 2019, 2,609 citations with a total of 3,426 charges (each citation can have multiple charges) were issued by the EPD.

Driving Infraction by Type	Number
Failure to Stop for Mechanical Signal	535
No Inspection Sticker	273
Unlicensed Operation of MV	192
Unregistered MV	165
Stop Sign Violation	163

Of these motor vehicle charges 1,125 were warnings. Another 857 were civil charges, 396 were criminal charges, and 231 were arrest charges. In 2019, 23 citations were issued for texting while driving. The map (pictured right) highlights locations in the city where 10 or more motor vehicle citations were issued. The larger and darker the icon, the more citations were issued.

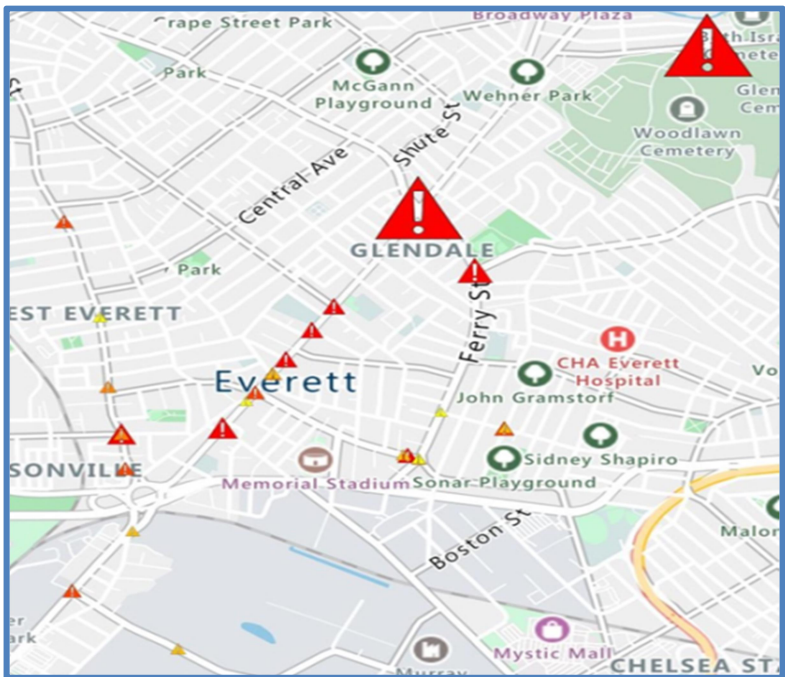

Table 1: Group A Crimes by Year Including 5 Yr. Average and Percent Change

Definitions of these crimes can be found on pages 14- 42 of this report: <https://ucr.fbi.gov/nibrs/nibrs-user-manual>

Note: If offense type does not appear, then none were reported.

Crime Data Analysis: Table 1 Summary

Table 1 highlights those offenses that had a notable percent change in their reporting. The 5 year average includes data from years 2014-2018. The 5 year percent change looks at the difference between the 5 year average (2014-2018) and the 2019 data. The resulting percentage change validates any trends that may be present in the 2019 data. For example, if robbery decreases 50% from 2018 to 2019, there is no way to tell from that figure whether 2019 was unusually low or 2018 was unusually high. Therefore, comparing 2019 to an average helps to better assess whether the crime truly went up or down in the most recent year. "NC" or non-calculable is used when a number cannot be calculated. In 2016, the FBI started to track two additional crime types, identity theft and animal cruelty. For further explanation on table 1 methodology, please see our past annual reports available on our website.

Overall Crime Comparisons – Group A Crime

2019 saw a 3% increase in the number of personal, property and societal crimes reported when compared to 2018. More importantly, the number of offenses in 2019 represents a 2% decrease over the 5-year average.

5 Year Crime Trends

The offense types (crimes in category larger than 10 per year) that had the most significant decrease between 2019 and the 5 year average are robbery (-50%), theft from a motor vehicle (-43%), vandalism (-26%), weapons law violations (-24%), burglary/breaking and entering and credit card fraud (-15%) each. Additionally, there were small decreases in intimidation, motor vehicle theft, and drug / narcotics violations. A notable point - from January through the end of May the department took just 13 reports involving motor vehicle breaks.

The offense types (crimes in category larger than 10 per year) that had the most significant increase between 2019 and the 5 year average were aggravated assault (+89%), swindling (+84%), theft from a building (+51%), animal cruelty (+27%), shoplifting (+24%), rape (+23%), and simple assault (+13%). Additionally, there were small increases in identity theft and stolen property offenses. In 2016, the FBI started collecting data specific to identity theft (providing stricter definitions on fraud offenses). As a result of this, there is a shift in crime counts across the fraud related categories.

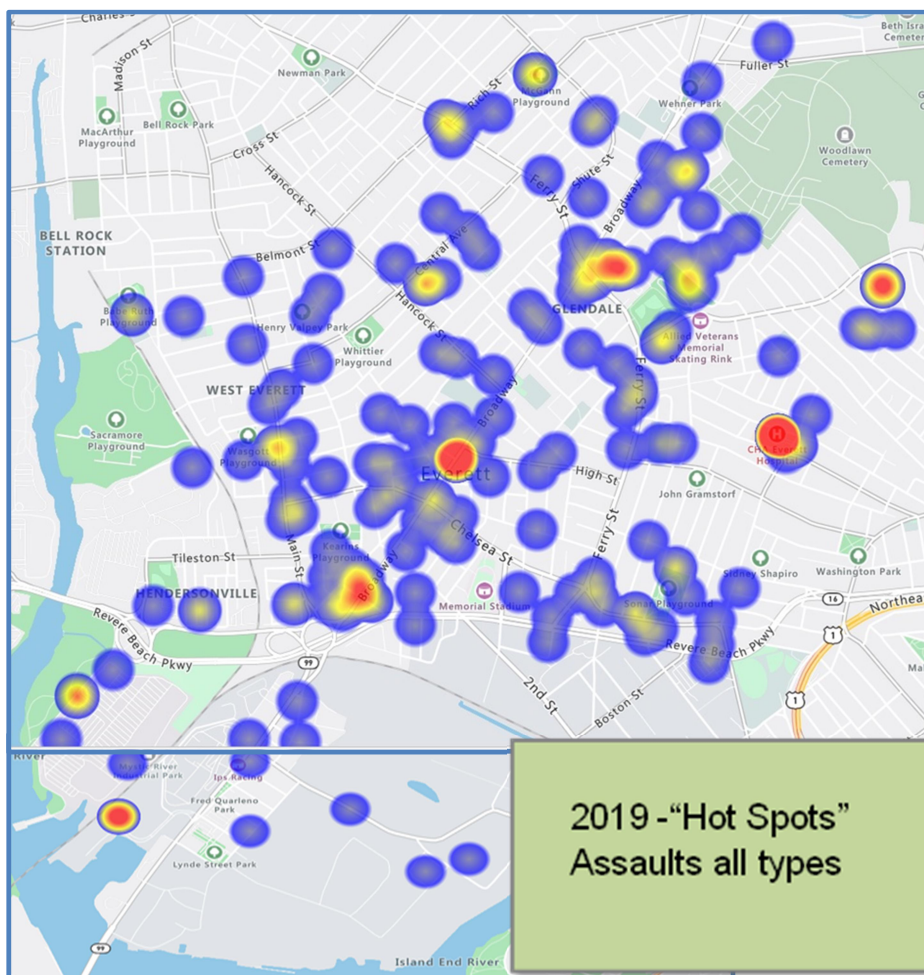

1 Year Crime Comparison

Notable changes by number and type of offenses reported in 2019 compared to 2018 (offenses in category larger than 10 per year).

A sample of notable decreases in 2019 from 2018 include robbery (-48%), theft from a motor vehicle (-28%), credit card fraud (-16%), and vandalism (-12%). Additionally, there were small decreases in breaking and entering, and all other larceny.

A sample of notable increases in 2019 from 2018 include identity theft (+86%), aggravated assault (+65%), theft from a building and swindling (+52%) each, shoplifting (+18%), and all other larceny and animal cruelty (+27%) each. Additionally, there were small increases in stolen property offenses and weapons law violations.

Assaults All Types- By Geographic Location

No causation for the notable increase in assaults could be determined. The relationship between victim and offender was reviewed. The rates of known versus unknown offender and victim relationships are consistent with the past years. In 2019, the repeat locations for assaults were Cambridge Health Alliance, Everett High School, Walgreens area, Broadway at numerous locations, Everett rehab and nursing, Encore Boston Harbor, and Staples Avenue. In 2019, Encore Boston Harbor and Staples Avenue are new repeat call locations. When offense incident locations are reviewed, increases in 2019 can be seen with assaults occurring within a home, on the road, or at a bar/nightclub. In 2019, 18 offenses had 3 or more victims recorded. Conversely only 8 offenses in 2018 had 3 or more victims reported.

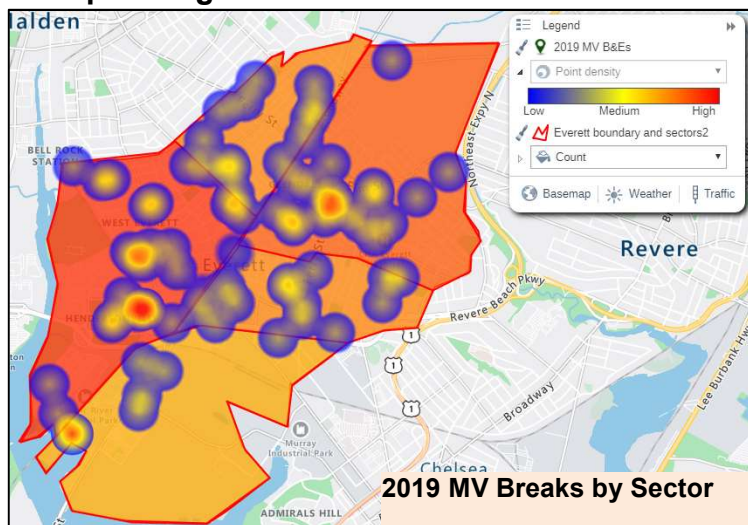

Table 2: 2017-2019 Number of Crimes by Crime Type with a Firearm

Type of Weapon/Force Involved Incident Date	Firearm		
	2017	2018	2019
Offense Type			
Murder and Nonnegligent Manslaughter	0	1	2
Kidnapping/Abduction	1	0	0
Rape	1	0	0
Aggravated Assault	13	16	20
Robbery	8	22	7

Burglary/ Breaking and Entering

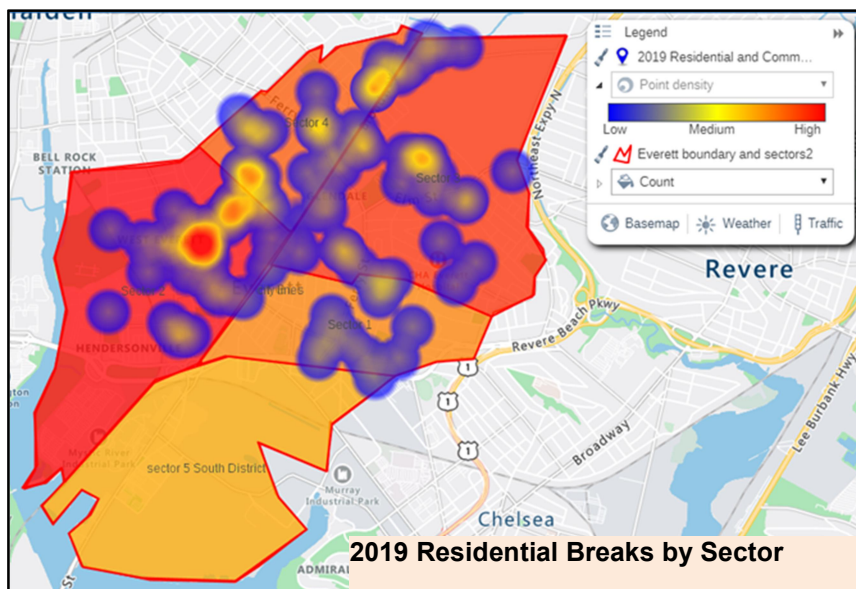

Motor Vehicle Breaking and Entering

There were a total of 85 motor vehicle breaks and larcenies from a motor vehicle reported during the 2019 calendar year. The largest percentage of incidents (57%) fell within Sectors 2 and 3, and the majority consisted of crimes of opportunity; **the vehicles targeted were unlocked and valuables were left in plain sight.**

Residential and Commercial Breaking and Entering

During 2019 there were a total of 110 burglary/breaking and entering offenses; 85% of these were residential and 15% represented commercial breaks. Similar to the pattern seen for motor vehicle breaking and entering / theft from a motor vehicle, the majority of incidents took place within the bounds of Sectors 2 and 3 (63%). The relative absence of residential breaks in Sector 5 makes sense given it is a low residential area.

Scams / Fraud Reported in 2019

Scams and con games are becoming increasingly prevalent across the United States. Moreover, in 2019, Everett Police responded to over 150 fraud complaints, which represents an 11% increase compared to 2018. Amongst the calls received, credit card fraud and identity theft accounted for the majority of fraud incidents reported.

Descriptions of some of the most common scams of 2019 are outlined below.

Scam Type	Description
Sweepstakes / Lottery	You won a lottery, sweepstakes or other contest and must send money or gift cards to cover taxes or to claim your prize.
Bail Bond / "Grandparent Scam"	You are contacted by phone and told that a family member needs bail money, lawyer fees, or other monies resulting from a fictitious claim that the family member was arrested, usually out of state. In some recent cases, suspects told victims that they would send a courier to pick up the money at the victim's residence or at a location nearby.
IRS Scam	The Internal Revenue Service demands immediate payment for back taxes (via phone). Caller threatens an arrest warrant will be issued OR caller asks for personal information such as social security number.
Kidnapping/Ransom Scam	Similar to Bail Bond Scam, except the family member has been kidnapped or held hostage after an accident or other incident.
Tech Support	You have been told that your computer is broken, hacked or has a virus, and you are asked to send money or buy gift cards so that it can be repaired.
Internet Sale	You were selling something online, offering a service (e.g. babysitting) online, or recently started a "Secret Shopper" or work from home job and received a check for too much money. You were instructed to deposit the check and wire the extra back or send the balance back in gift cards.
Arrest Warrant	You get a call from a "law enforcement agency" demanding money or gift cards as payment for fines or fees to avoid asset forfeiture or immediate arrest on warrants-usually out of state.
Medicare Scam	Somebody from "Medicare" calls stating you are getting a new Medicare card, but until it comes you will need a temporary card. The fee for the card is between \$5-50 dollars. They want personal information, bank account or credit card so they can process your temporary card. Medicare will never call you unless you ask them to.

Additional notes on gift card scams:

Consistent with what is being seen regionally and across the country, Everett residents have seen an increase in the number of gift card scams. In two recent cases, the victims were called by someone claiming to be from a government agency and instructed to purchase over \$1000 in gift cards in order to avoid arrest.

REMEMBER:

- Gift cards *cannot* be used to pay legal fees or bail
- Gift cards *cannot* be used to pay taxes
- Do not share card numbers or PINs with anyone
- Report any of the above to law enforcement

Table 3: 2015-2019 Count of Arrests for NIBRS Group B Offenses

Note: If offense type does not appear, then none were reported.

Arrest Date	2015	2016	2017	2018	2019
Offense Type					
Bad Checks	2	6	2	2	0
Disorderly Conduct	9	10	20	28	46
Driving Under the Influence	12	29	19	30	65
Family Offenses	74	77	99	100	93
Trespass of Real Property	5	3	7	9	19
Liquor Law Violations	1	0	0	0	2
All Other Offenses	0	0	0	0	4
Total Group B Arrests	103	125	147	169	229

Notes on Table 3:

Group B offenses are only reported to the State if an arrest is made. Therefore, the incident count for Group B offenses mirrors the arrest count. The data captured in this chart is a count of incidents, not a count of crimes (each incident can have more than one crime attached to it). As an example, if a party is arrested for shoplifting (a group A offense) and is subsequently trespassed from the store (a group B offense), only the group A offense of shoplifting would be counted. Additionally, as stated above, if a group B offense is committed, but no arrest is made, it is not reported to the State.

Group B Offenses and Encore Boston Harbor

There were a total of 65 OUI arrests in 2019, 6 of which could be tied to Encore Boston Harbor. The latter is defined as arrests that took place at the 1 Broadway address, or those that involved an individual who stated that their last drink location was Encore. Incidents connected to Encore are represented by the blue pins on the map pictured right. Additionally, 23 of the Disorderly Conduct arrests were of Encore guests and 15 individuals were charged with trespassing.

Table 3b highlights the number of the group B offenses that did not result in an arrest or were logged along with a group A offense for 2019.

Table 3b

Offense Type	Count
Family Offenses	42
Trespassing	12
Loitering	8
Disorderly Person	7
Liquor Law Violation	1
Grand Total	70

Table 4: 2018 & 2019 Area Crime Rates (NIBRS Group A Crimes)

NOTE: If crime type does not appear, then none were reported.

Note: The crime rate is used to measure the number of offenses per 1,000 people in a geographic area.

Measures Incident Date Jurisdiction by Geography Offense Type	Crime Rate (per 1,000)

Medical Overdoses

According to the Center for Disease Control (CDC), opioid overdoses decreased significantly in the state of Massachusetts between the first quarter of 2018 and the first quarter of 2019 (<https://www.cdc.gov/drugoverdose/data/nonfatal/nonfatal-opioids.html>), while data provided by the Massachusetts Department of Public Health shows that the number of fatal overdoses from 2018 to 2019 remained relatively stable (<https://www.mass.gov/lists/current-opioid-statistics>).

Consistent with the overall downward trend reported by the CDC, there was an approximately 25% decline in overall overdose calls in Everett between 2018 and 2019 (see Table Below).

2018 vs 2019 Overdoses

	2018	2019	Difference
Total	107	80	-27
Fatalities	7	9	+2

The decline in overdose calls may be partly attributable to EPD's proactive efforts to connect chronic substance users/abusers with appropriate mental health and treatment services. Additionally, the increased availability and use of naloxone (brand name, Narcan), a drug that can reverse an opioid overdose, might also account for the significant decrease in overdose calls for service.

The Everett Police Department remains committed to winning the fight against opioids, and in turn,

keeping our community safe. EPD recognizes that a multifaceted approach to tackling this complex issue is necessary, and this includes a focus on treatment and prevention. In keeping with this mission, the EPD works closely with the Roadmap to Recovery Program Coordinator at the Everett Fire Department to identify those who may be suffering with addiction and may be at a higher risk of overdosing in order to connect vulnerable individuals with appropriate treatment services.

The EPD would like to remind residents of the dangers associated with drug use. Many OD deaths are resulting from a mixture of substances such as fentanyl with heroin.

Residents are encouraged to report any information on illegal drug distributors by calling 617-389-DRUG or if it requires immediate attention 617-387-1212.

As always, in an emergency or if medical help is needed, please call 911.

2019 Everett Police Department/DEA Initiative

The Everett Police Department is open 24 hours a day for residents to drop off unused or expired prescription drugs. Residents are encouraged to come to the Everett Police Department to properly dispose of their prescriptions by placing them in the prescription drop-box located in the lobby. This program involves no paperwork, and there are no questions asked.

Prescription Drug Collection- During 2019, residents of the city continued to deposit their unwanted or expired medications inside the 24 hour drop-off box. The contents of the box are removed every 30 days and stored inside a restricted vault until they are transported to an approved incinerator for destruction. Additionally, there are MedReturn Drug Collection Units throughout the City. Pictured on the top right is one such box located at the Board of Health Office in City Hall. Residents may drop off their unwanted medications during regular business hours.

- On April 28th, 2019, the department participated in the semi-annual Drug Enforcement Administration (DEA) coordinated National Take Back Day, and turn in all the prescription medications collected over the past six months. In 2019, over 250 lbs of prescription medicine were turned in to the DEA for destruction over the course of the year. ***The next take back day is scheduled for April 25th, 2020.***

2019 Everett Police Department – Trainings

In 2019 members of the Everett PD Marine Unit trained with other members of the various Marine assets in Metro Boston as part of a regional Maritime initiative. Twenty-four officers participated in the training supported by the UASI (Urban Area Security Initiative).

Everett was pleased to once again host the National Odor Recognition Training at our K9 training facility in April 2019. Over 130 local, state, federal and military K9 explosive detection teams from across New England attended the event to ensure their teams are up to speed on the latest in odor recognition related to explosives.

2019 Everett Police Department – Community Highlights / Events

One of the most rewarding aspects of working for the Everett Police Department is the opportunity to engage with the Everett Community. Below is just a snapshot of the community events EPD was privileged to be part of in 2019.

Multicultural Festival

Trunk O' Treat

Community Thanksgiving, Connolly Center

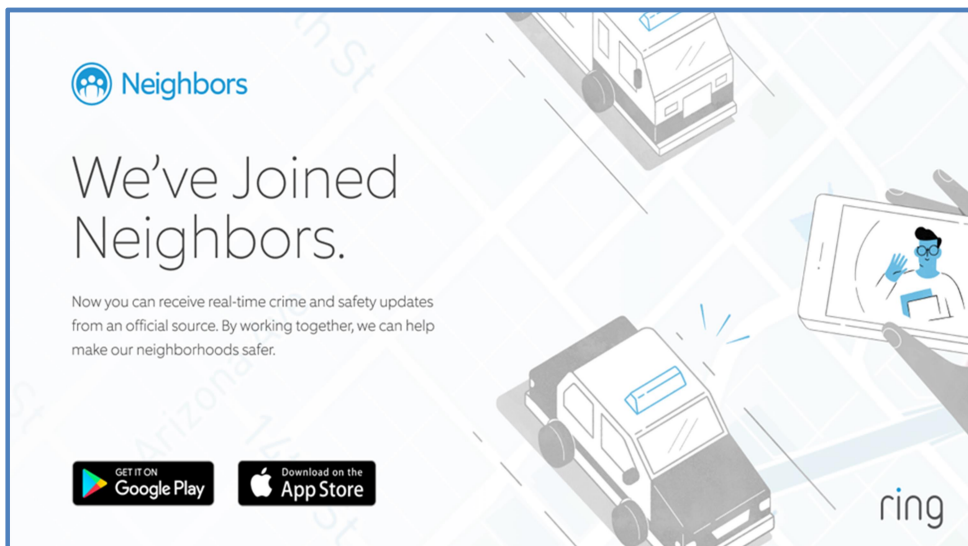

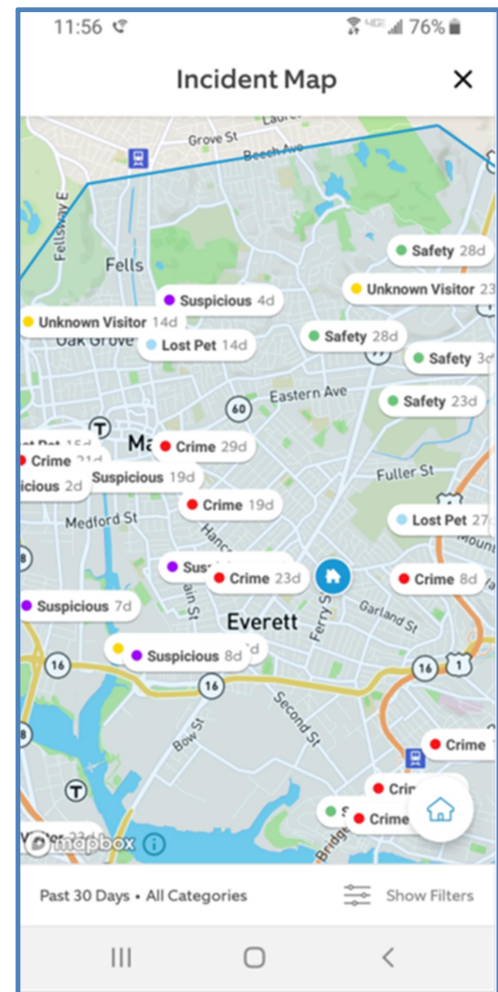

Special Olympics Field Day

2020 Initiatives

In 2020, Everett Police welcomed social worker, Teddy Peterson, to the Department. Ms. Peterson is the Clinical Coordinator at Eliot Community Services and will be assisting EPD with providing services and mental health referrals to homeless and vulnerable individuals, support on mental health and substance use calls, as well as follow up referrals and access to care and services.

The Everett Police Department is proud to announce that we have joined the Neighbors App by Ring. Neighbors is a free application (app) that allows users to upload videos, images and information for others to see and also allows the user to see the same information shared by their neighbors related to crime and safety. Neighbors App users post and comment on posts anonymously. Any type of video or image can be shared through the Neighbors App; it does not have to be a Ring camera system. Users can easily define the neighborhood they wish to receive notifications from utilizing the app's user friendly customization settings. We encourage all of our residents to join the Neighbors App and help us keep our community safe. Members of the Everett Police Department will monitor the app frequently and may utilize videos on the app to assist in the investigation of crimes. It is important to know that the app will not be monitored 24/7 and if someone encounters an emergency they should immediately call 911 for assistance. Join Today! Click [here](https://store.ring.com/neighbors) to learn more and join today - <https://store.ring.com/neighbors>

For additional information on crimes as they occur in Everett, visit <https://communitycrimemap.com/>. The Everett Police Department and LexisNexis Inc. have partnered to provide a new way for the public to stay informed about crime in Everett. The data is updated four times a week. The site is free to use.

The mission of the Everett Police Department is to provide community oriented law enforcement designed to protect life and property, maintain order, while ensuring fair and equal treatment for all.

Law Enforcement Core Values

Professionalism- we are committed to the highest ethical standards of the law enforcement profession.

Respect- we pledge to preserve human dignity by caring for the citizens we serve, and for ourselves.

Integrity- we shall, through our behavior, reflect honesty, sincerity, and complete accountability.

Dedication- we are devoted to Public Service to enhance the quality of life for all.

Excellence- we encourage innovation, effectiveness and efficiency through training, skills and effort.

Our Motto:

"Serving with Pride Since 1870"

Everett Police Department
